NPCI/2020-21/CTS/005

October 19, 2020

To,

All CTS Member banks

List of MS patch to be deployed in CHI servers –September, 2020

CTS system is operated grid based from Southern grid, Northern grid and Western grid. The system is being accessed by various banks from across locations through the clearing house interface (CHI).

CHI being a windows server, as recommended by the solution provider M/s. NCR Corporation India Pvt Ltd, list of **Microsoft** certified patch for the month of September 2020 is enclosed as part of Annexure I

All the member banks are advised to update these patch and provide a line of confirmation before October 31th, 2020 itself.

In case of any further queries please feel free write back to ctsappteam@npci.org.in.

With warm regards

Giridhar G M
Chief – Offline product operations & technology
