

BBPS – A Brief Introduction

BBPS stands for **Bharat Bill Payment System**. The Bharat bill payment system is a Reserve Bank of India (RBI) conceptualised system driven by **National Payments Corporation of India (NPCI)**. It is a one-stop payment platform for all bills providing an interoperable and accessible “Anytime Anywhere” bill payment service to all customers across India with certainty, reliability and safety of transactions.

BBPS a One-stop access: BBPS has multiple modes of payment and provides instant confirmation of payment via an SMS or receipt. BBPS offers myriad bill collection categories like electricity, telecom, DTH, gas, water bills etc. through a single window. In future biller categories may be expanded to include insurance premium, mutual funds, school fees, institution fees, credit cards, local taxes, invoice payments, etc. An effective mechanism for handling consumer complaints has also been put in place to support consumer regarding any bill related problems in BBPS.

The system participants are entities authorised by Reserve Bank of India (RBI) thereby providing assurance to the customer for a trusted experience between the service providers and billers.

Different Payment Channels

BBPS transaction can be initiated through multiple payment channels like Internet, Internet Banking, Mobile, Mobile-Banking, POS (Point of Sale terminal), Mobile Wallets, MPOS (Mobile Point of Sale terminal), Kiosk, ATM, Bank Branch, Agents and Business Correspondents.

Different Payment Modes

BBPS facilitates myriad payment modes enabling bill payments. The payment modes options facilitated under BBPS are Cash, Cards (Credit, Debit & Prepaid), IMPS, Internet Banking, UPI, Wallets & AEPS.

Key Participants

About Bharat Bill Payment Central Unit (BBPCU)

National Payments Corporation of India (NPCI) has been authorized by RBI as the Bharat Bill Payment Central Unit (BBPCU) and is responsible for setting business standards, rules and procedures for technical and business requirements for all participants. The BBPCU undertakes clearing and settlement activities related to transactions routed through BBPS.

About Bharat Bill Payment Operating Unit (BBPOU)

Bharat Bill Payment Operating Unit aka BBPOU is the entity that is authorized by Reserve Bank of India. It can be a Bank or a Non-Bank. BBPOU may choose to integrate either with the customers, (COU: Customer OU) or with the billers (Biller OU) or may wish to participate as both – which means such BBPOU will be integrated with customers as well as billers.

Going forward, only authorised BBPOU - both banks and non-banks authorised by RBI - can handle payment and aggregation of payment services relating to bills under the scope of BBPS.

Agent Institutions

Eligible Entities who wish to offer or those who are currently in bill payment, collection and aggregation business, would operate under a COU (Customer BBPOU) on receiving authorisation from RBI.

Customer BBPOU will on-board Agent institutions which may further on-board agents and/ or set up customer service points in various regions and locations.

Agents

Agents are the customer touch points and service points in the BBPS ecosystem available in the form of agent outlets, Business Correspondent outlets, Bank branches, collection centres, retail outlets and other service points.

Biller

Service providers, who shall receive payments from customers for services rendered. By participating in the BBPS scheme, the biller will be able to receive payments from third party channels for the services provided to the customer. A biller may tie up with up to two BBPOUs to access the entire universe of its consumers and all payment channels.

Category of Billers in BBPS:

The category of billers eligible to participate in BBPS will be specified from time to time by Reserve bank of India (RBI). The current categories specified are as follows:

1. Electricity
2. Telecom (post-paid and broadband)
3. DTH,
4. Gas
5. Water

Over a period of time other categories like insurance premium, mutual funds, school fees, institution fees, credit cards, local taxes, invoice payments, etc. may be covered under BBPS.

Who should become an Agent Institution?

1. Entities who currently offer bill payment or aggregation business and have not received In Principle approval from RBI to become a BBPOU;
2. Banks and other aggregators who have not received in-principle approval from RBI and wish to offer bill payment facility to their consumers;
3. Co-operative and Regional Rural Banks who wish to offer bill payment services to their consumers on their various channels Internet banking, Mobile banking, Bank branches, ATMs, Business Correspondents, etc.

Become an Agent Institution easily!

STEP-1

*Connect with a Customer
BBPOU of your choice.*

[List in Annexure-I](#)

STEP-2

*Complete your documentation
and On-boarding process with
the selected BBPOU*

STEP-3

*Get your channels like Internet,
Mobile, Branch or agents active
under BBPS via the selected
BBPOU*

Note: Refer Frequently Asked Questions in Annexure-II

On-board easily without hassle!

- ✓ An agent institution will get access to BBPS application module through one designated BBPOU only. There will be an application for accessing BBPS application module through a designated BBPOU.
- ✓ Agent institution will submit a list of its agents/bank branches if any, to BBPOU. Agent Institution must activate its current channels on which it is offering bill payment or wishes to offer bill payment via BBPS only.
- ✓ For the AIs that have physical outlets, in addition to cash acceptance at its outlets/customer touch points the AI will ensure an electronic mode of payment is put in place over a reasonable period of time, not exceeding one year from the launch of BBPS.

Note: Agents /Bank branches of an agent institution will access BBPS application via the agent institution, who in turn will be accessing BBPS via its BBPOU

Major Benefits

- ✓ **Assurance:** Assurance of dealing with stable entities like banks and non-banks i.e. prominent bill aggregators who have been duly authorised by RBI to operate as BBPOU.
- ✓ **Single Integration:** Easier and single integration with a Consumer BBPOU, who have got in-principle authorisation from RBI and certified by NPCI on bill payment channels.
- ✓ **One Point Access:** Access to ALL billers of various categories under BBPS via the single BBPOU.
- ✓ **Touch-Point:** Can become the single touch-point for customers via various channels
- ✓ **Easier Complaint Redressal:** Centralized Complaint and Settlement Dispute management for easier resolution of customer complaints and grievances.
- ✓ **Standardization:** Standards driven bill payment system and scheme governance
- ✓ **Revenue Opportunities:** Increased revenue opportunities due to increase in bill payment transactions of various categories
- ✓ **Increase in Customer footfall:** Apart from the primary business, the Agent Institution gets an opportunity for increased footfall generated on account of bill payment business.

Key Responsibilities of Agent Institution

A. Customer touch points

Provide customer touch points or channels (including digital channels) for payment of bills issued by any BBPS biller

B. Customer Assistance:

Registration: Facilitate BBPS registration by customers who opt to do so and also assist the registered customers to map billers to their registered id, as desired by the customer.

Complaint Resolution: Help customers in raising and lodging a complaint and resolve the same with the concerned BBPOU.

C. Instant Confirmation:

The customer shall be given an instant confirmation of bill payments in accordance with the standards of BBPS.

D. Awareness:

Payment of bills: Customer should be made aware about actual realization/ settlement cycle for the bills to be paid.

Charges: Customer should be made aware about extra service charges / fees, if any, which customer may have to pay for bill payments. Such charges shall not exceed the maximum amount prescribed by BBPCU or BBPOU.

E. BBPS brand Visibility:

A BBPS logo or trademark will be prominently displayed at the collection points as per the guidelines laid down by BBPCU to identify the bank branches/outlets/agents as BBPS enabled Service Point.

Timeline

Reserve Bank of India has extended the timeline from May 31st 2017 to **December 31st 2017**, for entities undertaking bill business under the current scope of BBPS, to either become an agent/agent institution of an authorised BBPOU or exit the business of bill payments. This time-line is applicable to the entities,

- i. which did not apply for authorization as a BBPOU, or
- ii. whose application for BBPOU has been returned by RBI, or
- iii. which were granted extension of time by RBI but were not able to achieve and report the required net worth by December 31, 2016.

Thus, key benefit that the system disseminates is seamless and standardised ecosystem of transactions with various category of billers. The customers connect to the BBPS brand with a sense of security assured of timely settlement of transactions and an effective complaints redressal mechanism.

Hence the concerned banking/non-bank entities who wish to offer bill payments services or are currently offering bill payments should get on-boarded on the BBPS platform as an Agent Institution at the earliest.
