Sr .no.	Document reference	Page no.	Clause no.	Description in RFQ	Clarification sought	Additional Remark	NPCI Response
1	Request for quotation for empanelment of test labs for testing of RuPay cards manufactured & personalised by RuPay empanelled vendors	15	5.7	EMD / BID Security	CIPET being a Government of India organization under the department of chemicals and petrochemical, Ministry of chemical and Fertilizer, you are kindly requested to give exemption to CIPET from payment of EMD in participating in the tendering process of Empanelment of Test Labs for Testing of RuPay Cards Manufactured & Personalised by RuPay Empanelled Vendors.	-	No Change in RFQ
2.	Request for quotation for empanelment of test labs for testing of RuPay cards manufactured & personalised by RuPay empanelled vendors	23 of 41	8.5	TAT & penalty for default delivery	7 days for 500 cards are not sufficient. Raw data sheet preparation & cutting of cards in specified size will take 1 day for peel off strength for 500 cards. Initial separation of plies to hold in jaw will take 1 day. If 1 card take 3 minutes for peel off strength for 500 cards its 1500 minutes =25 hrs =3.12 working days. 500 cards cannot hold on a fixture in largest capacity of chamber for warpage test at a time. Some test is of 48 hrs. it is not possible to hold 500 cards in a chamber with fixture at a time it has to be tested in lot of 50 or 100 otherwise the quality & results of testing will drastically affected.	If we deploy 5 people for testing 500 cards, it will take 12 days to furnish the test report. So the required time shall be 14 days for 500 card testing.	No Change in RFQ.
