# RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

## Section 2 - Introduction

### 2.1 About NPCI

National Payments Corporation of India (NPCI) is a Company registered under Section 25 of the Companies Act, 1956 (corresponding to Section 8 of The Companies Act, 2013) with its Registered Office in Mumbai, India. NPCI was promoted by 10 banks in India under the aegis of the Indian Banks' Association with majority shareholding by Public Sector Banks. Presently 56 banks are shareholders of NPCI. Out of which 19 are Public Sector Banks (PSB), 17 Private Sector Banks, 3 Foreign Banks, 7 Multi State Cooperative Banks and 10 Regional Rural Banks.

The vision, mission and values of NPCI are: Vision - To be the best payments network globally, Mission - Touching every Indian with one or other payment services and to make our mission possible, we live and work by five core values: Passion for Excellence, Integrity, Customer Centricity, Respect and Collaboration

### 2.2 Objective of this RFP:

The objective of the RFP is to Supply, install & maintain Network packet analyzer solution and seamlessly integrate with the existing NPCI Network Architecture at the Data centers in Mumbai, Chennai and Hyderabad.

### 2.3 Cost of the RFP

The Bidder shall bear all costs associated with the preparation and submission of its bid and NPCI will, in no case, be held responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

The Bidders can submit the bid response at NPCI's office at Unit no. 202, 2nd floor, Raheja Titanium, CTS No. 201, Western Express Highway, Goregaon East, Mumbai 400 063, along with non-refundable amount of Rs. 5,750.00 (Rs Five thousand plus Service Tax@15%) in envelope A, payable in the form of Demand Draft/Pay Order from any scheduled commercial bank in India favoring "NATIONAL PAYMENTS CORPORATION OF INDIA" payable at Mumbai.

### 2.4 Due Diligence

The Bidders are expected to examine all instructions, terms and specifications stated in this RFP. The Bid shall be deemed to have been submitted after careful study and examination of this RFP document. The Bid should be precise, complete and in the prescribed format as per the requirement of this RFP document. Failure to furnish all information or submission of a bid not responsive to this RFP will be at the Bidders' risk and may result in rejection of the bid. Also the decision of NPCI on rejection of bid shall be final and binding on the bidder and grounds of rejection of Bid should not be questioned after the final declaration of the successful Bidder.

The Bidder is requested to carefully examine the RFP documents and the terms and conditions specified therein, and if there appears to be any ambiguity, contradictions, inconsistency, gap and/or discrepancy in the RFP document, Bidder should seek necessary clarifications by e-mail as mentioned in Section-1.

### 2.5 Ownership of this RFP

The content of this RFP is a copy right material of National Payments Corporation of India. No part or material of this RFP document should be published in paper or electronic media without prior written permission from NPCI.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution  
Section 3 - Scope of Work

**3.1 Scope of work:**

The scope of work includes

1. Supply, installation & maintenance of Network packet analyzer solution and seamless integration with the existing NPCI Network Architecture.
2. Solution should be tested for the following
  - a. Real-time packet capture
  - b. Analysis of traffic captured at multiple segments using centralized management console
  - c. Ability to monitor & manage multiple capture points installed at different DCs using a centralized console
3. The following AT Checklist needs to be completed by the Bidder post installation

AT Checklist:

Name of Test	Expected results
Real-time packet capture	Successful
Data analysis using centralized console	Successful
Management of multiple capture points via single management console	Successful

4. The successful Bidder shall execute back-to-back agreement for the required infrastructure and if required by NPCI, tri-party agreement should be signed between NPCI, Bidder and the OEM (in the event of Bidder and OEM being different)
5. The bidder should prepare a detailed Project Plan, Action Plan and submit to NPCI within 15 days from the date of PO and initiate the Project kick-off meeting seven days from the date of submission of the Plans.

NPCI intends to procure the solution for Network packet analyzer with the following terms

- a. The devices, components & software should have comprehensive onsite support for a period of 5 years from the date of acceptance given to the Bidder.
- b. The software & hardware quoted by bidder should not be declared as End of life or End of Sale by the OEM at the time of bidding RFP
- c. The bidder should migrate to new setup with no/minimum possible downtime
- d. The bidder should provide product training

The bidder shall submit the project details in MS project (MPP based).

**3.2 Single Point of Contact**

The selected Bidder shall appoint a single point of contact, with whom NPCI will deal with, for any activity pertaining to the requirements of this RFP.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

Section 4 - Eligibility Criteria

4.1 Eligibility Criteria

The Eligibility Criteria are furnished below:

1. The bidder should be a Company registered under the Companies Act since last 3 years.
  - a) In case the Bidding Company is the result of a merger / acquisition, at least one of the merging companies should have been in operation for at least 3 years as on date of submission of the bid
  - b) In case the Bidding Company is the result of a demerger / hiving off, at least one of the demerged company or resulting company should have been in operation for at least 3 years as on the date of submission of bid.
2. The bidder should have minimum annual turnover of Rs. 30 Crores during the three financial years i.e. 2013-14, 2014-15 and 2015-16 or calendar years 2013, 2014, 2015 or bidder's financial years.
  - a) In case the Bidding Company is the result of a merger / acquisition, due consideration shall be given to the past financial results of the merging entity for the purpose of determining the net worth, minimum annual turnover and profit after tax for the purpose of meeting the eligibility criteria; should the Bidding Company be in operation for a period of less than 3 years. For this purpose, the decision of NPCI will be treated as final and no further correspondence will be entertained on this.
  - b) In case the Bidding Company is the result of a demerger / hiving off, due consideration shall be given to the past financial results of the demerged company for the purpose of determining the net worth, minimum annual turnover and profit after tax for the purpose of meeting the eligibility criteria; should the Bidding Company be in operation for a period of less than 3 years. For this purpose, the decision of NPCI will be treated as final and no further correspondence will be entertained on this.
3. The bidder should be a profit (profit after tax) making company in any one of the three financial years i.e. 2013-14, 2014-15 and 2015-16 or calendar years 2013, 2014, 2015 or the Bidder's financial years.
  - a) In case the Bidding Company is the result of a merger / acquisition, due consideration shall be given to the past financial results of the merging entity for the purpose of determining the net worth, minimum annual turnover and profit after tax for the purpose of meeting the eligibility criteria; should the Bidding Company be in operation for a period of less than 3 years. For this purpose, the decision of NPCI will be treated as final and no further correspondence will be entertained on this.
  - b) In case the Bidding Company is the result of a demerger / hiving off, due consideration shall be given to the past financial results of the demerged company for the purpose of

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

determining the net worth, minimum annual turnover and profit after tax for the purpose of meeting the eligibility criteria; should the Bidding Company be in operation for a period of less than 3 years. For this purpose, the decision of NPCI will be treated as final and no further correspondence will be entertained on this.

4. Bidder should submit the MAF (Manufacturer's Authorization Form) for the solution being proposed.
5. The bidder should not be currently blacklisted by any bank / institution in India or abroad.
6. The bidder should have at least 2 live installations in any two institutions in India with support as on the date of submission of the bids.

**4.2 Eligibility Criteria Response Sheet**

The Bidders should complete the Eligibility Criteria Response Sheet as given in Annexure - H.

Failure to provide the desired information and documents may lead to disqualification of the Bidder.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

Section 5 - Instruction to Bidders

**A. The Bidding Document**

**5.1 RFP**

RFP shall mean Request for Proposal. Bid, Tender and RFP are used to mean the same.

The Bidder is expected to examine all instructions, forms, terms and conditions and technical specifications in the Bidding document. Submission of a bid not responsive to the Bidding Document in every respect will be at the Bidders risk and may result in the rejection of its bid without any further reference to the bidder.

**5.2 Cost of Bidding**

The Bidder shall bear all costs associated with the preparation and submission of its bid, and NPCI will in no case be responsible or liable for those costs.

**5.3 Content of Bidding Document**

The Bid shall be in 3 separate envelopes, Envelope A, B and C.

**5.4 Clarifications of Bidding Documents and Pre-bid Meeting**

A prospective Bidder requiring any clarification of the Bidding Documents may notify NPCI in writing at NPCI's address or through email any time prior to the deadline for receiving such queries as mentioned in Section 1.

Bidders should submit the queries only in the format given below:

Sr. No.	Document Reference	Page No	Clause No	Description in RFP	Clarification Sought	Additional Remarks (if any)

Replies to all the clarifications, modifications received through mail and email will be posted on NPCI's website. Any modification to the bidding documents which may become necessary shall be made by NPCI by issuing an Addendum.

**5.5 Amendment of Bidding Documents**

1. At any time prior to the deadline for submission of bids, NPCI may for any reason, whether at its own initiative or in response to a clarification requested by a Bidder, amend the Bidding Documents.
2. Amendments will be provided in the form of Addenda to the Bidding Documents, which will be posted in NPCI's website. Addenda will be binding on Bidders. It will be assumed that the amendments contained in such Addenda had been taken into account by the Bidder in its bid.
3. In order to afford Bidders reasonable time to take the amendment into account in preparing their bids, NPCI may, at its discretion, extend the deadline for the submission of bids, in which case, the extended deadline will be posted on NPCI's website.
4. From the date of issue, the Addenda to the tender shall be deemed to form an integral part of the RFP.

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

### **B. Preparation of Bid**

#### **5.6 Bid Price**

Prices would be exclusive of all taxes, duties, levies and fees whatsoever. Octroi, if any, will be paid additionally, at actual on production of receipt.

#### **5.7 Earnest Money Deposit (EMD)**

The Bidder is required to deposit Rs 5,00,000/- (Rs Five Lakhs only) in the form of a Demand Draft / Pay order in favor of "National Payments Corporation of India" payable at Mumbai or Bank Guarantee issued by a scheduled commercial bank valid for six months, with a claim period of 12 months after the expiry of validity of the Bank Guarantee as per the statutory provisions in this regard, as per format in Annexure A1 or A2.

No interest will be paid on the EMD.

#### **5.8 Return of EMD**

The EMDs of successful Bidder/s shall be returned / refunded after furnishing Performance Bank Guarantee as required in this RFP.

EMDs furnished by all unsuccessful Bidders will be returned on the expiration of the bid validity / finalization of successful Bidder, whichever is earlier.

#### **5.9 Forfeiture of EMD**

The EMD made by the bidder will be forfeited if:

- a) Bidder withdraws its bid before opening of the bids.
- b) Bidder withdraws its bid after opening of the bids but before Notification of Award.
- c) Selected Bidder withdraws its bid / Proposal before furnishing Performance Bank Guarantee.
- d) Bidder violates any of the provisions of the RFP up to submission of Performance Bank Guarantee.
- e) Selected Bidder fails to accept the order within five days from the date of receipt of the order. However, NPCI reserves its right to consider at its sole discretion the late acceptance of the order by selected Bidder.
- f) Bidder fails to submit the Performance Bank Guarantee within stipulated period from the date of execution of the contract. In such instance, NPCI at its discretion may cancel the order placed on the selected Bidder without giving any notice.

#### **5.10 Period of Validity of Bids**

Bids shall remain valid for a period of 180 days after the date of bid opening as mentioned in Section 1 or as may be extended from time to time. NPCI reserves the right to reject a bid valid for a period shorter than 180 days as non-responsive, without any correspondence.

#### **5.11 Extension of Period of Validity**

In exceptional circumstances, prior to expiry of the bid validity period, NPCI may request the Bidders consent to an extension of the validity period. The request and response shall be made in writing. Extension of validity period by the Bidder should be unconditional and irrevocable. The EMD provided shall also be suitably extended. A Bidder may refuse the request without forfeiting the bid Security.

#### **5.12 Format of Bid**

The bidder shall prepare two copies (one hard copy marked as ORIGINAL and one soft copy) of the Technical Bid only. In case of any discrepancy between them, the original shall govern.

The commercial bid will be submitted as hard copy only.

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

### 5.13 Signing of Bid

The Bid shall be signed by a person or persons duly authorized to sign on behalf of the Bidder.

All pages of the bid, except for printed instruction manuals and specification sheets shall be initialed by the person or persons signing the bid.

The bid shall contain no interlineations, erasures, or overwriting, except to correct errors made by the Bidder, in which case such corrections shall be initialed by the person or persons signing the Bid.

The bid shall be signed by a person or persons duly authorized to bind the bidder to the contract. Such authority shall be either in the form of a written and duly stamped Power of Attorney (Annexure H) or a Board Resolution duly certified by the Company Secretary, which should accompany the Bid.

### C. Submission of Bid

#### 5.14 Envelope bidding process

The Bid shall be prepared in 3 different envelopes, Envelope A, Envelope B and Envelope C.

Each of the 3 Envelopes shall then be sealed and put into an outer envelope marked as '**Request for Proposal for Supply, Installation, Commissioning & Maintenance of Network Packet Analyzer Solution**'. The inner and outer envelopes shall be addressed to NPCI at the address mentioned in Section 1.

The inner envelopes shall indicate the name and address of the Bidder.

If the outer envelope is not sealed and marked as indicated, NPCI will assume no responsibility for the bids misplacement or premature opening.

#### 5.15 Contents of the 3 Envelopes

##### Envelope A - Eligibility Bid

The following documents as per the sequence listed shall be inserted inside Envelope A:

- 1 Bid Cost in the form of Demand draft/Pay order
- 2 Bid Earnest Money in the form of Demand Draft - Annexure A1 OR Bid Earnest Money in the form of Bank Guarantee - Annexure A2
- 3 Bid Offer form (without price) - Annexure B
- 4 Bidder Information - Annexure C
- 5 Declaration of Clean Track Record - Annexure D
- 6 Declaration of Acceptance of Terms and Conditions - Annexure E
- 7 Declaration of Acceptance of Scope of Work - Annexure F
- 8 Power of Attorney for signing of bid - Annexure G
- 9 Eligibility Criteria Matrix - Annexure H along with supporting documentary proof for each criterion as stipulated.
- 10 OEM/Manufacturer Authorization Letter - Annexure I
- 11 Three years audited Balance Sheet and Profit and Loss Statements.
- 12 RFP document duly sealed and signed by the authorized signatory on each page
- 13 All necessary supporting documents

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

### Envelope B - Technical Bid

The following documents shall be inserted inside Envelope B:

- 1 Section 11 - Technical Requirements duly completed - Annexure J
- 2 Client Reference - Annexure K along with supporting documents
- 3 OEM/Manufacturer Authorization Letter - Annexure I
- 4 Entire commercial bid including detailed Bill of Materials with **price masked**.
- 5 Soft copy of the entire technical bid in **CD format**
- 6 Proof of Trained / Experienced Manpower (at least 2) with the CV's from Bidders' side should be furnished, for having executed similar projects successfully.
- 7 Declaration regarding Global Registered Office / TAC Centers

### Envelope C - Commercial Bid (indicative)

- 1 Indicative Commercial Bid Form - Annexure M
- 2 Indicative Commercial Bid - Annexure N
- 3 Detailed Bill of Materials (indicative) - Annexure L

#### 5.16 Bid Submission

The Bidder should bear all the costs associated with the preparation and submission of their bid and NPCI will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

Bids sealed in accordance with the Instructions to Bidders should be delivered at the address as mentioned in the Section 1.

The offers should be made strictly as per the formats enclosed.

No columns of the tender should be left blank. Offers with insufficient/inaccurate information and Offers which do not strictly comply with the stipulations given in this RFP, are liable for rejection.

#### 5.17 Bid Currency

All prices shall be expressed in Indian Rupees only.

#### 5.18 Bid Language

The bid shall be in English Language.

#### 5.19 Rejection of Bid

The bid is liable to be rejected if the bid document:

- a) Does not bear signature of authorized person.
- b) Is received through Fax / E-mail.
- c) Is received after expiry of the due date and time stipulated for Bid submission.
- d) Is incomplete / incorrect.
- e) Does not include requisite documents.
- f) Is Conditional.

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

g) Does not conform to the terms and conditions stipulated in this Request for Proposal.

No bid shall be rejected at the time of bid opening, except for late bids and those that do not conform to bidding terms.

### 5.20 Deadline for Submission

The last date of submission of bids is given in Section 1. However the last date of submission may be amended by NPCI and shall be notified through its website.

### 5.21 Extension of Deadline for submission of Bid

NPCI may, at its discretion, extend this deadline for submission of bids by amending the bidding documents which will be intimated through NPCI website, in which case all rights and obligations of NPCI and Bidders will thereafter be subject to the deadline as extended.

### 5.22 Late Bid

Bids received after the scheduled time will not be accepted by the NPCI under any circumstances. NPCI will not be responsible for any delay due to postal service or any other means.

### 5.23 Modifications and Withdrawal of Bids

Bids once submitted will be treated, as final and no further correspondence will be entertained on this.

No bid will be modified after the deadline for submission of bids.

### 5.24 Right to Reject, Accept/Cancel the bid

NPCI reserves the right to accept or reject, in full or in part, any or all the offers without assigning any reason whatsoever.

NPCI does not bind itself to accept the lowest or any tender and reserves the right to reject all or any bid or cancel the Tender without assigning any reason whatsoever. NPCI also reserves the right to re-issue the Tender without the Bidders having the right to object to such re-issue.

### 5.25 RFP Abandonment

NPCI may at its discretion abandon the process of the selection of bidder at any time before notification of award.

### 5.26 Bid Evaluation Process

The Bid Evaluation will be carried out in 2 stages:

**Stage 1 - Envelope 'A'** i.e. Eligibility bid and - **Envelope 'B'** i.e. Technical bid will be evaluated.

Only those Bidders who have submitted all the required forms and papers and comply with the eligibility and technical criteria will be considered for further evaluation.

**Stage 2 -Envelope 'C'** of those Bidders who qualify the eligibility and technical criteria will be evaluated further for finalizing the start price for Reverse Auction.

### 5.27 Contacting NPCI

From the time of bid opening to the time of Contract award, if any Bidder wishes to contact NPCI for seeking any clarification in any matter related to the bid, they should do so in writing by seeking such clarification/s from an authorized person. Any attempt to contact NPCI with a view to canvas for a bid or put any pressure on any official of the NPCI may entail disqualification of the concerned Bidder and/or its Bid.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet  
Analyzer Solution  
**Section 6 - Bid Opening**

**6.1 Opening of Bids**

Bids will be opened in 2 stages:

**Stage 1** - In the first stage the 'Eligibility' and 'Technical' Bids i.e. Envelope 'A' and Envelope 'B' will be opened.

**Stage 2** - Indicative Commercial bids, i.e. Envelope 'C' will be opened for qualified bidders only as part of the process for finalizing the start price for Reverse Auction.

**6.2 Opening of Eligibility and Technical Bids**

NPCI will open Eligibility bid (Envelope 'A') and Technical bid (Envelope 'B') in presence of Bidders' representative(s) who choose to be present on the date, time and address mentioned in Section 1 or as amended by NPCI from time to time.

The representatives of the Bidders have to produce an authorization letter from the Bidder/ Identity Card to represent them at the time of opening of the bids. Only one representative will be allowed to represent each Bidder. In case the Bidder's representatives are not present at the time of opening of bids, the bids will still be opened at the scheduled time at the sole discretion of NPCI.

The bidder's representatives who are present shall sign the register evidencing their attendance. In the event of the specified date of bid opening being declared a holiday for NPCI, the bids shall be opened at the appointed time and place on next working day.

**6.3 Opening of Envelope C - Commercial Bids**

Commercial bids will be opened only as part of the process for finalizing the start price for Reverse Auction.

Commercial evaluation will be done through Reverse Auction. Business Rules and Terms & Conditions and Procedures of Reverse Auction have been published on NPCI's website.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution  
Section 7 - Bid Evaluation

**7.1 Preliminary Examination of Eligibility Bids**

NPCI will examine the bids to determine whether they are complete; whether required information have been provided as underlined in the bid document; whether the documents have been properly signed and whether bids are generally in order.

Eligibility and compliance to all the forms and Annexure would be the first level of evaluation. Only those Bids which comply to the eligibility criteria will be taken up for further technical evaluation.

NPCI may waive any minor informality, non-conformity or irregularity in a bid that does not constitute a material deviation provided such waiver does not prejudice or affect the relative ranking of any Bidder.

If a Bid is not substantially responsive, it will be rejected by NPCI and may not subsequently be made responsive by the Bidder by correction of the nonconformity. NPCI's determination of bid responsiveness will be based on the content of the bid itself. NPCI may interact with the Customer references submitted by Bidder, if required.

**7.2 Evaluation of Technical Bids**

The Technical Evaluation will be based on the following broad parameters:

- a) Compliance to Technical Specifications as specified in the RFP.
- b) NPCI reserves the right to call for presentation and discussions on the approach of execution of project etc., from the short-listed Bidders based on the technical bids submitted by them to make an evaluation. Such presentations and minutes of meetings will become part of the technical bid.
- c) Review of written reply, if any, submitted in response to the clarification sought by NPCI, if any.
- d) Submission of duly signed compliance statement as stipulated in Annexures. Details / Brochures containing details about the proposed solution are to be enclosed.
- e) To assist in the examination, evaluation and comparison of bids NPCI may, at its discretion, ask any or all the Bidders for clarification and response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.
- f) NPCI may interact with the Customer references submitted by bidder, if required. To assist in the examination, evaluation and comparison of bids NPCI may, at its discretion, ask any or all the Bidders for clarification and response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

**The technical score will be based on the criteria given below in the Scoring Matrix**

	Description	Score
<b>Technical Evaluation Part - A</b>		<b>30</b>
1	Technical Requirements compliance	
2	Product features availability	
3	Service provider/System Integrator credentials	
4	Product / break fix support credentials	
<b>Proposed Solution Part - B</b>		<b>50</b>
1	Product architecture & scalability	

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

2	Bidder credentials, Experience and past performance on similar contracts		
<b>RFP Presentation Part - C</b>			<b>20</b>
1	RFP presentation		
2	Existing Customer reference site		
3	Q and A		
<b>Total Score of Part - A, B and C</b>			<b>100</b>

NPCI reserves the right to shortlist bidders based on technical evaluation criteria.

The **minimum technical score** for qualifying Technical Evaluation will be **70%**. In case less than three bidders are qualified, then NPCI reserves the right to reduce minimum required score by 10% i.e from 70% to 60%.The indicative commercial bids of technically qualified bidders only will be opened.

**7.3 Evaluation of Commercial Bids:**

Commercial bids will be opened only as part of the process for finalizing the start price for Reverse Auction.

Commercial evaluation will be done through Reverse Auction. Business Rules and Terms & Conditions and Procedures of Reverse Auction have been published on NPCI’s website.

**7.4 Successful Evaluated bidder:**

After completing internal approval process, Bidder whose bid price is the lowest will be declared as successful evaluated bidder, who will be called L1 Bidder. NPCI reserves the right to place the Order with the L2 bidder, in case the L1 bidder refuses to accept the Order or otherwise gets disqualified as per the terms of the RFP, provided the L2 bidder matches the price quoted by the L1 bidder.

# RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

## Section 8 - Terms and Conditions

### 8.1 Notification of Award / Purchase Order

After selection of the L1 bidder, as given in Clause 7.4, and after obtaining internal approvals and prior to expiration of the period of Bid validity, NPCI will send Notification of Award / Purchase Order to the selected Bidder.

Once the selected Bidder accepts the Notification of Award the selected Bidder shall furnish the Performance Bank Guarantee to NPCI.

### 8.2 Term of the Order

The term of the Notification of Award/Purchase Order shall be for a period of **5 years**.

### 8.3 Acceptance Procedure

- Within 5 days of receipt of Notification of Award/Purchase Order the successful Bidder shall send the acceptance.
- Failure of the successful Bidder to comply with the above requirements shall constitute sufficient grounds for the annulment of the award
- Upon the successful Bidder accepting the Purchase Order and signing the contract, if required, and NDA, NPCI will promptly notify each unsuccessful Bidder and will discharge all remaining EMDs, if any.

### 8.4 Performance Bank Guarantee

The Successful bidder shall, within 14 working days of receipt of Purchase Order, submit a Performance Bank Guarantee (PBG) equal to 10% of total value of the Purchase order (exclusive of taxes), valid for 3 years, with a claim period of 12 (twelve) months from the date of expiry of the validity period of the Bank Guarantee (BG), as per statutory provisions in force. In case the successful bidder does not submit the PBG, NPCI shall withhold an amount equal to the value of the PBG from the payments due to the bidder.

### 8.5 Taxes and Duties

All taxes deductible at source, if any, at the time of release of payments, shall be deducted at source as per then prevailing rates.

Prices shall be exclusive of all taxes, duties, charges and levies of State or Central Governments as applicable. Octroi, if any, shall be reimbursed to supplier by NPCI at actual on production of original receipt.

### 8.6 Terms of Delivery:

The Equipment consisting of hardware and software, for NPCI DC and Member Banks shall be delivered within 6 weeks of acceptance of the Purchase Order.

The installation and implementation of the solution should be carried out within 4 weeks from delivery date.

### 8.7 Penalty for default in delivery

If the bidder does not deliver the material as per purchase order delivery schedule, or such authorized extension of delivery period as may be permitted in writing by NPCI, NPCI shall impose a penalty @ 0.5% of the total value of the purchase order for each week's delay to a maximum of 5% of the total undelivered value of the goods, without prejudice to any other right or remedy available under the purchase order. In case of delay in compliance with the order beyond 10 days of the stipulated time period, NPCI will have the right to cancel the order.

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

### 8.8 Warranties and Support

Bidder shall provide warranty for hardware for a period of 3 (three) years from the date of commissioning or acceptance of the entire system, whichever is later and 4th to 5th year annual maintenance support from the date of expiry of warranty, with back-to-back support from the OEM.

The services manageability should be governed by the SLA terms and conditions

Bidder shall also update necessary OS, Patches and should support the hardware and the software for the period of five years from the date of commissioning and/ or acceptance of the entire system, whichever is later.

Any defective equipment /software supplied by successful shall be replaced as per the SLA terms, including all incidental cost like transport costs, etc. without any further cost to NPCI The upgrades, new releases (Minor/major) versions, bug fixes etc. for the hardware and system software will be supplied to NPCI at no extra cost, with the necessary documentation during contract period.

Solution provider should provide necessary documents to NPCI to confirm that they have executed similar contract with OEM

AMC cost should not be less than 8% of the hardware cost.

### 8.9 Service Level Requirements:

Critical incidents are defined as incidents that impact the availability of the NPCI Business applications to the NPCI member banks and across NPCI locations.

Some critical incidents (not restricted to)

- Hardware or software failures of one or more components of the solution
- Inability to perform packet capture
- Inability to access the centralized console for analysis / management
- Loss of data of historical captures

Uptime SLA of the solution:

- A guaranteed uptime of 99.5% per annum.
- Uptime shall be calculated as per below mentioned formula:

Quarterly Uptime in % = (total min in a quarter-Downtime in min in a quarter) X 100 / total min in a quarter

Support SLAs:

- Critical incidents will be responded immediately and resolved within specified SLA

Device SLA's:

a. Device or spare parts replacements will be provided by next business day/ 24 hours . It is the responsibility of Bidder to coordinate with OEM to provide replacement. NPCI will not involve in arranging the device.

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

b. All the software / hardware up gradation of the devices should be done along with the spare on field and with on-site engineer support (either OEM / SI)

### **8.10 Penalty on non-adherence to SLAs:**

The following clause is applicable to critical incidents.

Any violation in meeting the above SLA requirements which leads to critical incident, NPCI shall impose a penalty of INR 10,000/- (Indian Rupees Ten Thousand only) for each 1 calendar day delay beyond 24 hours and penalty would be maximum of INR 50,000.

### **8.11 Prices**

Price shall remain fixed for a period of 12 months from the date of Notification of award / Purchase Order. There shall be no increase in price for any reason whatsoever and therefore no request for any escalation of the cost / price shall be entertained.

### **8.12 Repeat Order:**

NPCI reserves the right to place Purchase Orders with the selected /bidder Supplier for any or all of the services at the agreed unit rate, i.e. the rate contract during the period of 12 months from the date of acceptance of award / Purchase Order.

### **8.13 Software License Agreement**

The bidder shall supply NPCI with required licenses in the name of NPCI to access and use the software supplied through this RFP. Such license to access and use the software shall be non-exclusive, fully paid up and irrevocable and valid throughout NPCI's offices in India.

### **8.15 Product Upgrades**

At any time during term of the purchase order / performance of the Contract, should technological advances be introduced by the OEM/ Supplier for information technologies originally offered by the supplier in its bid and still to be delivered, the supplier shall be obliged to offer to NPCI the latest version of the available technologies having equal or better performance or functionality at the same or lesser unit prices.

During performance of the Contract, the Supplier shall offer to NPCI all new versions, releases and updates of standard software, as well as related technical support within 30 days of their availability from the OEM.

### **8.15 Payment Terms:**

#### **8.15.1 Payment Schedule for hardware:**

- a) 20 % of the hardware cost will be paid on delivery of hardware.
- b) 80 % of the hardware cost will be paid after acceptance of the solution.

#### **8.15.2. AMC Payments:**

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

In case NPCI decides to entrust maintenance of the Solution with the successful bidder, AMC charges shall be paid quarterly in arrears after availing maintenance services. In case the successful bidder desires to get payment of AMC charges in advance, Bank Guarantee equivalent to the value of the AMC charges for the respective year, with action period of 1 year, shall be submitted before 14 days of commencement of the period of maintenance.

AMC payment will be released within 30 days of receipt of correct invoices along with SLA Reports duly signed by authorized NPCI official and other necessary documents / certificates as required by NPCI. The quarterly Invoices for the solution should be submitted to NPCI within 10 days of the last day of the relevant quarter. Invoice shall contain all details regarding PAN and registration number for Service Tax, VAT, etc.

### **8.15 Migration activities for change of location:**

In case NPCI wishes to shift the network devices from one place to another anywhere in the country, adequate support will be made available by the bidder by arranging field engineer for the purpose of dismantling of network devices supplied by Service provider & hand-over to the concerned Bank Officials or Data Center, pre-shifting inspection, post-shifting inspection, re-installation etc. of all devices supplied by Service provider. All migration related activities to be done after Business / session hours / according to business convenience & the engineer have to be deployed as per the NPCI requirements. NPCI will bear all expenses for packing, shifting, insurance and other incidentals at actual. NPCI will not be responsible or liable for any losses, damages to the items of equipment's, tools and machinery while such dismantling, pre-shifting inspection, post-shifting inspection, and re-installation etc. is being carried out. Bidder shall make available adequate alternative arrangement to ensure that the system functioning is neither affected nor dislocated during the shifting process. It is the responsibility of field engineer to integrate devices delivered for a Bank or Data Center & coordinate with NPCI NOC to extend the reachability.

### **8.16 Confidentiality**

The Bidder shall treat the details of the documents as secret and confidential. The Successful Bidder shall execute separate NDA on the lines of the draft provided in the **Annexure Z** hereof.

In the event of disclosure of Confidential Information to a third party in violation of the provisions of this Clause, the defaulting party shall use all reasonable endeavors to assist the supplying party in recovering and preventing such third party from using, selling or otherwise disseminating of such information.

The Parties' obligations under this Section shall extend to the non-publicizing of any dispute arising out of this Agreement.

The terms of this clause shall continue in full force and effect for a period of five (5) years from the date of disclosure of such Confidential Information.

In the event of termination of this Agreement, upon written request of the disclosing Party, the receiving Party shall immediately return the disclosing Party's Confidential Information, or at the disclosing Party's option destroy any remaining Confidential Information and certify that such destruction has taken place.

### **8.17 Indemnity**

The bidder shall indemnify, protect and save NPCI and hold NPCI harmless from and against all claims, losses, costs, damages, expenses, action suits and other proceedings, (including reasonable attorney fees), relating to or resulting from any act or omission or negligence or misconduct of the bidder and its employees and representatives, breach of the terms and conditions of the agreement

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

or purchase order, false statement by the bidder, employment claims of employees of the bidder, third party claims arising due to infringement of intellectual property rights, death or personal injury attributable to acts or omission of bidder, violation of statutory and regulatory provisions including labour laws, laws related to information technology and intellectual property rights, breach of confidentiality obligations, breach of warranty etc.

Indemnity would be limited to court or arbitration awarded damages and shall exclude indirect, consequential and incidental damages and compensation. Bidder shall indemnify NPCI, provided NPCI promptly notifies the Bidder in writing of such claims and the Bidder shall have the right to undertake the sole defense and control of any such claim.

### **8.18 Bidder's Liability**

The selected Bidder will be liable for all the deliverables.

The Bidder's aggregate liability in connection with obligations undertaken under the purchase order, regardless of the form or nature of the action giving rise to such liability (whether in contract, tort or otherwise), shall be at actual and limited to the value of the contract/purchase order.

The Bidder's liability in case of claims against NPCI resulting from willful and gross misconduct, or gross negligence, fraud of the Bidder, its employees, contractors and subcontractors, from infringement of patents, trademarks, and copyrights or other Intellectual Property Rights or breach of confidentiality obligations shall be unlimited.

### **8.19 Obligations of the Bidder**

Standard of Performance: The Bidder shall perform the services and carry out their obligations with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment materials and methods. The Bidder shall always act in respect of any matter relating to this Contract or to the services as faithful advisor to NPCI and shall at all times support and safeguard NPCI's legitimate interests in any dealings with third parties.

Prohibition of Conflicting Activities: The Bidder shall not engage and shall cause their personnel not to engage in any business or professional activities that would come in conflict with the activities assigned to them under the contract.

### **8.20 Order Cancellation**

NPCI reserves its right to cancel the order in the event of one or more of the following situations, that are not occasioned due to reasons solely and directly attributable to NPCI alone;

- i. Delay in delivery is beyond the specified period as set out in the Purchase Order before acceptance of the product; or,
- ii. Serious discrepancy in the quality of service expected.
- iii. If a Bidder makes any statement or encloses any form which turns out to be false, incorrect and/or misleading or information submitted by the bidder turns out to be incorrect and/or bidder conceals or suppresses material information.

In case of order cancellation, any payments made by NPCI to the Bidder for the particular service would necessarily have to be returned to NPCI with interest @ 15% per annum from the date of each such payment. Further the Bidder would also be required to compensate NPCI for any direct loss incurred by NPCI due to the cancellation of the Purchase Order and any additional expenditure to be incurred by NPCI to appoint any other Bidder. This is after repaying the original amount paid.

### **8.21 Termination of Contract**

For Convenience: NPCI, by written notice sent to Bidder, may terminate the contract in whole or in part at any time for its convenience giving three months prior notice. The notice of termination

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

may specify that the termination is for convenience the extent to which Bidder's performance under the contract is terminated and the date upon which such termination become effective. NPCI shall consider request of the bidder for pro-rata payment till the date of termination.

For Insolvency: NPCI at any time may terminate the contract by giving written notice to Bidder, if Bidder becomes bankrupt or insolvent. In this event, termination will be without compensation to Bidder, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to NPCI.

For Non-Performance: NPCI reserves its right to terminate the contract in the event of Bidder's repeated failures (say more than 3 occasions in a calendar year to maintain the service level prescribed by NPCI).

### **8.22 Force Majeure**

If either party is prevented, restricted, delayed or interfered by reason of: a) Fire, explosion, cyclone, floods, droughts, earthquakes, epidemics; b) War, revolution, acts of public enemies, blockage or embargo, riots and civil commotion; c) Any law, order, proclamation, ordinance or requirements of any Government or authority or representative of any such Government, including restrictive trade practices or regulations; d) Strikes, shutdowns or labour disputes which are not instigated for the purpose of avoiding obligations herein; Or e) Any other circumstances beyond the control of the party affected; then notwithstanding anything here before contained, the party affected shall be excused from its performance to the extent such performance relates to prevention, restriction, delay or interference and provided the party so affected used its best efforts to remove such cause of non-performances, and when removed the party shall continue performance with the utmost dispatch.

Each of the parties agrees to give written notice forthwith to the other upon becoming aware of an Event of Force Majeure, the said notice to contain details of the circumstances giving rise to the Event of Force Majeure. If the Event of Force Majeure shall continue for more than twenty (20) days either party shall be entitled to terminate the Agreement at any time thereafter without notice.

Notwithstanding the provisions of the SOW, the successful bidder or NPCI shall not be liable for penalty or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of Force Majeure. For purposes of this clause, "Force Majeure" means an event beyond the control of the successful bidder and not involving NPCI or the successful bidder's fault or negligence and not foreseeable. Such events may include, but not restricted to wars, revolutions, epidemics, natural disasters etc.

If force majeure situation arises, the successful bidder shall promptly notify NPCI in writing of such condition and cause thereof. Unless otherwise directed by NPCI in writing, the successful shall continue to perform its obligations under contract as far as possible.

Neither party shall have any liability to the other in respect of the termination of this Agreement as a result of an Event of Force Majeure.

### **8.23 Resolution of Disputes**

All disputes or differences between NPCI and the bidder shall be settled amicably. If, however, the parties are not able to resolve them, the same shall be settled by arbitration in accordance with the applicable Indian Laws, and the award made in pursuance thereof shall be binding on the parties. Any appeal will be subject to the exclusive jurisdiction of courts at Mumbai.

NPCI and the Supplier shall make every effort to resolve amicably by direct informal negotiation, any disagreement or dispute arising between them under or in connection with the Contract.

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

The dispute resolution mechanism to be applied shall be as follows:

1. In case of Dispute or difference arising between NPCI and the Supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, 1996. Where the value of the Contract is above Rs.1.00 Crore, the arbitral tribunal shall consist of 3 arbitrators, one each to be appointed by NPCI and the Supplier. The third Arbitrator shall be chosen by mutual discussion between NPCI and the Supplier.
2. Arbitration proceedings shall be held at Mumbai, and the language of the arbitration proceedings and that of all documents and communications between the parties shall be English;
3. The decision of the majority of arbitrators shall be final and binding upon both parties. The cost and expenses of Arbitration proceedings will be paid as determined by the arbitral tribunal. However, the expenses incurred by each party in connection with the preparation, presentation, etc., of its proceedings as also the fees and expenses paid to the arbitrator appointed by such party or on its behalf shall be borne by each party itself; and
4. Where the value of the contract is Rs.1.00 Crore and below, the disputes or differences arising shall be referred to the Sole Arbitrator. The Sole Arbitrator should be appointed by mutual consent between the parties.

### **8.24 Compliance with Applicable Laws of India**

The Bidder confirms to NPCI that it complies with all Central , State, Municipal laws and local laws and rules and regulations and shall undertake to observe, adhere to, abide by, comply with and notify NPCI about compliance with all laws in force including Information Technology Act 2000, or as are or as made applicable in future, pertaining to or applicable to them, their business, their employees or their obligations towards them and for all purposes of this Contract, and shall indemnify, keep indemnified, hold harmless, defend and protect NPCI and its officers/staff/personnel/representatives/agents from any failure or omission on its part to do so and against all claims or demands of liability and all consequences that may occur or arise for any default or failure on its part to conform or comply with the above and all other statutory obligations arising there from.

The Bidder shall promptly and timely obtain all such consents, permissions, approvals, licenses, etc., as may be necessary or required for any of the purposes of this project or for the conduct of their own business under any applicable Law, Government Regulation/Guidelines and shall keep the same valid and in force during the term of the project, and in the event of any failure or omission to do so, shall indemnify, keep indemnified, hold harmless, defend, protect and fully compensate NPCI and its employees/officers/staff/personnel/ representatives/agents from and against all claims or demands of liability and all consequences that may occur or arise for any default or failure on its part to conform or comply with the above and all other statutory obligations arising there from and NPCI will give notice of any such claim or demand of liability within reasonable time to the Bidder.

### **8.25 Legal Compliances:**

The Bidder confirms to NPCI that its personnel/ employees/staff are covered under the provision of various Acts enacted for the protection and benefits of workmen /employees /staff or otherwise such as Employees State Insurance Act and Employees Provident Fund Miscellaneous Provision Act etc. and such other Acts like Profession Tax Act etc. as applicable and that Bidder is duly registered under the provisions of the said Acts and is complying with the provisions of the Acts.

The Bidder shall allow NPCI as well as regulatory authorities to verify books in so far as they relate to compliance with the provisions of these Acts and shall provide on demand by NPCI & regulatory authorities such documentary proof as may be necessary to confirm compliance in this regard. NPCI shall not be responsible in any event to the employees of Bidder for any of their outstanding claims

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

or liability in that regard. NPCI shall not be responsible for any claim or demand made by such personnel for their dues outstanding against Bidder.

### **8.26 Intellectual Property Rights:**

All rights, title and interest of NPCI in and to the trade names, trademark, service marks, logos, products, copy rights and other intellectual property rights shall remain the exclusive property of NPCI and Bidder shall not be entitled to use the same without the express prior written consent of NPCI. Nothing in contract including any discoveries, improvements or inventions made upon with/by the use of the Bidder or its respectively employed resources pursuant to contract shall either vest or shall be construed so that to vest any proprietary rights to the Bidder. Notwithstanding, anything contained in Contract, this clause shall survive indefinitely, even after termination of this Purchase Order.

### **8.27 Applicable Law and Jurisdiction**

**Applicable Law:** The Agreement shall be governed by and interpreted in accordance with the Indian Law. The jurisdiction and venue of any action with respect to the subject-matter of this Agreement shall be the Courts of Mumbai in India and each of the parties hereto submits itself to the exclusive jurisdiction and venue of such courts for the purpose of any such action.

### **8.28 No Damage of NPCI Property**

Bidder shall ensure that there is no loss or damage to the property of NPCI while executing the Contract. In case, it is found that there is any such loss/damage due to direct negligence/non-performance of duty by any personnel, the amount of loss/damage so fixed by NPCI shall be recovered from Bidder.

### **8.29 Fraudulent and Corrupt Practice**

“Fraudulent Practice” means a misrepresentation of facts in order to influence a procurement process or the execution of the project and includes collusive practice among Bidder’s (prior to or after Bid submission) designed to establish Bid prices at artificial non-competitive levels and to deprive the NPCI of the benefits of free and open competition.

“Corrupt Practice” means the offering, giving, receiving or soliciting of anything of value, pressurizing to influence the action of a public official or a NPCI official in the process of project execution.

NPCI will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for, or in executing the project.

### **8.30 Governing Language**

All correspondences and other documents pertaining to this Agreement shall be in English only.

### **8.31 Addresses for Notices**

Following shall be address of NPCI and Bidder

NPCI address for notice purpose:

Managing Director & CEO  
National Payments Corporation of India  
1001A, B wing 10th Floor,  
‘The Capital’, Bandra-Kurla Complex,  
Bandra (East), Mumbai - 400 051

Supplier’s address for notice purpose: (To be filled by supplier)

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

Section 9 - Technical Specifications

Scope of Technical Functions

The list of major hardware & software items and their **Technical Specifications** are given below. It should be noted that the list is indicative & the Bidder should include any other item/software/service, which is necessary to meet the end objectives as detailed in this section.

**TYPE - A - 3 No**

**Requirements for appliances to be installed at Datacenters (Chennai / Mumbai / Hyderabad)**

ID	Requirements	Mandatory
	<b>Hardware specifications</b>	
1	The solution <b>MUST</b> support 1G interfaces	YES
2	The solution <b>MUST</b> support minimum of 10 capture interfaces & 1 management interface	YES
3	The solution <b>MUST</b> be deployable using a standard datacenter rack	YES
4	The hardware <b>MUST</b> have redundant power supplies	YES
5	The solution <b>SHOULD</b> be deployable either in SPAN based mode or in Layer 2 in-line mode	YES
6	During a hardware failure the solution <b>MUST</b> fail open (in case of in-line Layer 2 deployment)	YES
7	The solution <b>MUST</b> support copper taps	YES
8	The solution <b>SHALL</b> support Fiber optic taps	NO
	<b>Management &amp; reporting</b>	
9	The solution <b>MUST</b> provide a central management console with probes being distributed across multiple geographical locations	YES
10	The solution <b>MUST</b> have the capability to provide centralized reporting	YES
11	The solution <b>MUST</b> provide administrator authentication via TACACS/RADIUS/LDAP	YES
12	The solution <b>MUST</b> be able to send the system logs to a SIEM / syslog servers	YES
13	The solution <b>MUST</b> support SSL for access to the management web GUI.	YES
14	The solution <b>MUST</b> support SSH for access to the management Command Line Interface.	YES
15	The solution <b>MUST</b> have the capability of reporting information on an hourly, daily, weekly, or monthly basis.	YES
16	The solution <b>MUST</b> include a comprehensive logging capability to log all the system events	YES
17	All reports <b>MUST</b> be exportable in CSV format and PDF format	YES
18	The reports content <b>SHOULD</b> be user-selectable	YES
19	The solution <b>MUST</b> be able to perform time synchronization (NTP, etc.)	YES
20	The solution <b>MUST</b> have the capability to be monitored by the NMS server via SNMP v2 / v3	YES
21	The solution <b>MUST</b> support multiple simultaneous user sessions to the management console	YES
22	The solution <b>MUST</b> provide one common interface to access both user-level performance analytics and administrative platform functions	YES

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

<b>Packet capture &amp; analysis</b>		
23	The solution MUST not require additional software plug-ins or agents on client or server hosts.	YES
24	It MUST support IPv4 and IPv6 Protocols	YES
25	The solution MUST support multi-segment packet analysis	YES
26	The solution MUST store historical data for forensic analysis	YES
27	The solution SHOULD be able to provide the performance metrics at 1-minute granular intervals	YES
28	The solution SHOULD support Microburst event analysis	YES
29	The solution SHOULD be able to identify specific applications and IP conversations that are consuming high amounts of bandwidth	YES
30	The solution MUST be able to identify TCP and UDP traffic and errors	YES
31	The solution SHOULD be able to perform multiple concurrent capture jobs with no performance penalty	YES
32	The solution SHOULD have the capability to generate alarms upon microbursts	YES
33	The solution SHOULD be able to provide extensible visualization options for both application and network flow diagrams	YES
34	The solution MUST support the "Always ON" feature with rolling packet capture buffer	YES
35	The solution SHOULD be capable of capturing the performance metrics such as but not limited to, 1. Packet loss / Retransmission rate / Retransmission delay 2. Round trip Timer 3. Throughput 4. Number of connections 5. Data transfer time / server response time	YES
36	The solution SHOULD be able to provide network packet flow diagram to illustrate network communication between multiple application tiers	YES
37	The solution MUST support real-time and back-in-time analysis	YES
38	The solution SHOULD provide the ability to select some, all, or none of a packet to be recorded on a per-application and per-interface basis	YES
39	The solution MUST support well-known protocols and applications	YES
40	The solution SHOULD provide a repository that allows to save data traces and recall them at a future date to perform packet-level forensic analysis on the saved data	YES
41	The solution SHOULD support application specific analysis/summaries for standard application components, such as HTTP, SOAP, etc	YES
42	The solution SHOULD provide summarized analysis breaking down application response time into following components: Client/Server processing Network bandwidth Network latency Network congestion Network protocol (e.g. TCP) Parallel effects involving any combination of the above components	YES
43	The solution SHALL support detailed scorecard analysis of system, application design, network and protocol effects on application performance	NO
44	The solution SHALL have the ability to perform multi-site, multi-hop capacity planning using captured application data	NO
45	The solution MUST support decode of application messages and errors for well-known applications - Web based (HTTP, HTTPS, XML, Web Services), Database (Oracle, MS SQL, MySQL) etc. (Other applications of interest could be VoIP, Video, Remote Desktop etc. as needed)	YES
46	The solution SHOULD offer integrated capability to monitor network traffic usage (application wise, user wise etc.)	YES

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

47	The solution SHOULD have the capability to identify and track ISO 8583 transaction errors and messages	YES
48	The solution MUST be PCI DSS compliant	YES
	<b>Storage requirements</b>	YES
49	The solution MUST be able to store the historical captures for a minimum period of 30 days	YES
50	The solution MUST have a minimum of 10 TB storage capacity and should be scalable	YES
51	The solution MUST be capable of having built-in storage as well as the ability to use the storage over the network or extended storage	YES
52	The solution MUST provide security for data collected	YES
53	The solution MUST have store all data locally (within NPCI environment)	YES
54	The solution SHOULD provide storage resiliency ( ex - hot-swappable drives, RAID5/ RAID 6, etc )	YES
55	The solution MUST have the capability to mask the card information available in the captured data when it is stored	YES
56	The solution MUST include all the required database licenses required for storing the data captures	YES
57	The stored data MUST NOT be readable by any other means other than the management console	YES

**TYPE - B - 10 No**

**Requirements for appliances to be installed at member banks**

ID	Hardware specifications	Mandatory
1	The solution MUST support 1G interfaces	YES
2	The solution MUST support minimum of 1 capture interface & 1 management interface	YES
3	The solution MUST be deployable using a standard datacenter rack	YES
4	The hardware MUST have redundant power supplies	YES
5	The solution SHOULD be deployable either in SPAN based mode or in Layer 2 in-line mode	YES
6	During a hardware failure the solution MUST fail open (in case of in-line Layer 2 deployment)	YES
7	The solution MUST support copper taps	YES
8	The solution SHALL support Fiber optic taps	NO
	<b>Management &amp; reporting</b>	
9	The solution SHOULD be integrated with the centralized management console used to manage the appliances in Datacenters	YES
10	The solution MUST have the capability to provide centralized reporting	YES
11	The solution MUST provide administrator authentication via TACACS/RADIUS/LDAP	YES
12	The solution MUST support SSL for access to the management web GUI.	YES
13	The solution MUST support SSH for access to the management Command Line Interface.	YES
14	The solution MUST be able to perform time synchronization (NTP, etc.)	YES

Annexure A2 - Bid Security (Bank Guarantee)

\_\_\_\_\_  
[Bank's Name, and Address of Issuing Branch or Office]

National Payments Corporation of India: \_\_\_\_\_

Date: \_\_\_\_\_

BID GUARANTEE No.: \_\_\_\_\_

We have been informed that \_\_\_\_\_ (hereinafter called "the Bidder") has submitted to you its bid dated (hereinafter called "the Bid") for the execution of \_\_\_\_\_ under RFP No.

Furthermore, we understand that, according to your conditions, bids must be supported by a bank guarantee.

At the request of the Bidder, we \_\_\_\_\_ hereby irrevocably undertake to pay you without any demur or protest, any sum or sums not exceeding in total an amount of Rs. \_\_\_\_\_ /-(Rupees \_\_\_\_\_ only) upon receipt by us of your first demand in writing accompanied by a written statement stating that the Bidder is in breach of its obligation(s) under the bid conditions, because the Bidder:

(a) Has withdrawn its Bid during the period of bid validity specified by the Bidder in the Form of Bid; or

(b) having been notified of the acceptance of its Bid by NPCI during the period of bid validity, (i) fails or refuses to execute the Contract Form; or (ii) fails or refuses to furnish the performance security, if required, in accordance with the Instructions to Bidders.

This guarantee will expire:

(a) If the Bidder is the successful bidder, upon our receipt of copies of the contract signed by the Bidder and the performance security issued to you upon the instruction of the Bidder; or

(b) if the Bidder is not the successful bidder, upon the earlier of (i) our receipt of a copy of your notification to the Bidder of the name of the successful bidder; or (ii) twelve months after the expiration of the Bidder's Bid.

Consequently, any demand for payment under this guarantee must be received by us at the Office on or before that date.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

Annexure A3 - Bid Security (Performance Bank Guarantee)

(BANK GUARANTEE)

Date

Beneficiary: NATIONAL PAYMENTS CORPORATION OF INDIA  
1001A, B wing 10th Floor,  
'The Capital', Bandra-Kurla Complex,  
Bandra (East), Mumbai - 400 051

Performance Bank Guarantee No:

We have been informed that----- ( hereinafter called "the Supplier") has received the purchase order no. "-----" dated ----- issued by National Payments Corporation of India (NPCI), for ----- (hereinafter called "the Purchase Order").

Furthermore, we understand that, according to the conditions of the Purchase order, a Performance Bank Guarantee is required to be submitted by the Supplier to NPCI.

At the request of the Supplier, We -----(name of the Bank , the details of its incorporation) having its registered office at ----- and, for the purposes of this Guarantee and place where claims are payable, acting through its ---- branch presently situated at ----- (hereinafter referred to as "Bank" which term shall mean and include, unless repugnant to the context or meaning thereof, its successors and permitted assigns), hereby irrevocably undertake to pay you without any demur or objection any sum(s) not exceeding in total an amount of Rs.----- (in figures) (Rupees----- (in words)----- only) upon receipt by us of your first demand in writing declaring the Supplier to be in default under the purchase order, without caveat or argument, or your needing to prove or to show grounds or reasons for your demand or the sum specified therein.

Please note that you may, if you so require, independently seek confirmation with -(Bank Name & Issuing branch address)-----, that this Bank Guarantee has been duly and validly issued.

Notwithstanding anything contained in the foregoing:

The liability of ----- (Bank), under this Bank Guarantee is restricted to a maximum total amount of Rs. ----- (Amount in figures and words).

This bank guarantee is valid upto -----.

The liability of ----- (Bank), under this Bank Guarantee is finally discharged if no claim is made on behalf of NPCI within twelve months from the date of the expiry of the validity period of this Bank Guarantee.

Our liability pursuant to this Bank Guarantee is conditional upon the receipt of a valid and duly executed written claim or demand, by ----- (Bank)----- (Address), delivered by hand, courier or registered post, or by fax prior to close of banking business hours on ----- (date should be one year from the date of expiry of guarantee) failing which all rights under this Bank Guarantee shall be forfeited and ----- (Bank), shall stand absolutely and unequivocally discharged of all of its obligations hereunder.

This Bank Guarantee shall be governed by and construed in accordance with the laws of India and competent courts in the city of Mumbai shall have exclusive jurisdiction.

Kindly return the original of this Bank Guarantee to ----- (Bank & Its Address), upon (a) its discharge by payment of claims aggregating to Rs. ----- (Amount in figures & words); (b) Fulfillment of the purpose for which this Bank Guarantee was issued; or (c) Claim Expiry Date (date should be one year from the date of expiry of this Bank Guarantee).

All claims under this Bank Guarantee will be payable at ----- (Bank & Its Address).

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

Annexure B - Bid Offer Form (without Price)

(Bidder's Letter Head)

OFFER LETTER

Date:

To

The Chief Executive Officer  
National Payments Corporation of India  
1001A, B wing 10th Floor,  
'The Capital', Bandra-Kurla Complex,  
Bandra (East), Mumbai - 400 051

Dear Sir,

**Subject: RFP No. NPCI/RFP/2016-17/IT/10 dated 23.12.2016 for Request for Proposal for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution**

We have examined the above referred RFP document. As per the terms and conditions specified in the RFP document, and in accordance with the schedule of prices indicated in the commercial bid and made part of this offer.

We acknowledge having received the following addenda / corrigenda to the RFP document.

Addendum No. / Corrigendum No.	Dated

While submitting this bid, we certify that:

1. Prices have been quoted in INR.
2. The prices in the bid have not been disclosed and will not be disclosed to any other bidder of this RFP.
3. We have not induced nor attempted to induce any other bidder to submit or not submit a bid for restricting competition.
4. We agree that the rates / quotes, terms and conditions furnished in this RFP are for NPCI and its Associates.

If our offer is accepted, we undertake, to start the assignment under the scope immediately after receipt of your order. We have taken note of Penalty clauses in the RFP and agree to abide by the same. We also note that NPCI reserves the right to cancel the order and order cancellation clause as per terms and condition would be applicable. We understand that for delays not attributable to us or on account of uncontrollable circumstances, penalties will not be levied and that the decision of NPCI will be final and binding on us.

We agree to abide by this offer till 180 days from the last date stipulated by NPCI for submission of bid, and our offer shall remain binding upon us and may be accepted by NPCI any time before the expiry of that period.

Until a formal contract is prepared and executed with the selected bidder, this offer will be binding on us. We also certify that the information/data/particulars furnished in our bid are factually correct. We also accept that in the event of any information / data / particulars are found to be incorrect, NPCI will have the right to disqualify /blacklist us and forfeit bid security.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

We undertake to comply with the terms and conditions of the bid document. We understand that NPCI may reject any or all of the offers without assigning any reason whatsoever.

As security (EMD) for the due performance and observance of the undertaking and obligation of the bid we submit herewith Demand Draft bearing no. \_\_\_\_\_ dated \_\_\_\_\_ drawn in favor of “National Payments Corporation of India” or Bank Guarantee valid for \_\_\_\_days for an amount of Rs.\_\_\_\_\_ (Rs. \_\_\_\_\_ Only ) payable at Mumbai.

Yours sincerely,

Authorized Signature [In full and initials]:

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

	Packet capture & analysis		
23	The solution MUST not require additional software plug-ins or agents on client or server hosts.	YES	
24	It MUST support IPv4 and IPv6 Protocols	YES	
25	The solution MUST support multi-segment packet analysis	YES	
26	The solution MUST store historical data for forensic analysis	YES	
27	The solution SHOULD be able to provide the performance metrics at 1-minute granular intervals	YES	
28	The solution SHOULD support Microburst event analysis	YES	
29	The solution SHOULD be able to identify specific applications and IP conversations that are consuming high amounts of bandwidth	YES	
30	The solution MUST be able to identify TCP and UDP traffic and errors	YES	
31	The solution SHOULD be able to perform multiple concurrent capture jobs with no performance penalty	YES	
32	The solution SHOULD have the capability to generate alarms upon microbursts	YES	
33	The solution SHOULD be able to provide extensible visualization options for both application and network flow diagrams	YES	
34	The solution MUST support the "Always ON" feature with rolling packet capture buffer	YES	
35	The solution SHOULD be capable of capturing the performance metrics such as but not limited to, 1. Packet loss / Retransmission rate / Retransmission delay 2. Round trip Timer 3. Throughput 4. Number of connections 5. Data transfer time / server response time	YES	
36	The solution SHOULD be able to provide network packet flow diagram to illustrate network communication between multiple application tiers	YES	
37	The solution MUST support real-time and back-in-time analysis	YES	
38	The solution SHOULD provide the ability to select some, all, or none of a packet to be recorded on a per-application and per-interface basis	YES	
39	The solution MUST support well-known protocols and applications	YES	
40	The solution SHOULD provide a repository that allows to save data traces and recall them at a future date to perform packet-level forensic analysis on the saved data	YES	
41	The solution SHOULD support application specific analysis/summaries for standard application components, such as HTTP, SOAP, etc	YES	
42	The solution SHOULD provide summarized analysis breaking down application response time into following components: Client/Server processing Network bandwidth Network latency Network congestion Network protocol (e.g. TCP) Parallel effects involving any combination of the above components	YES	
43	The solution SHALL support detailed scorecard analysis of system, application design, network and protocol effects on application performance	NO	
44	The solution SHALL have the ability to perform multi-site, multi-hop capacity planning using captured application data	NO	

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

45	The solution MUST support decode of application messages and errors for well-known applications - Web based (HTTP, HTTPS, XML, Web Services), Database (Oracle, MS SQL, MySQL) etc. (Other applications of interest could be VoIP, Video, Remote Desktop etc. as needed)	YES	
46	The solution SHOULD offer integrated capability to monitor network traffic usage (application wise, user wise etc.)	YES	
47	The solution SHOULD have the capability to identify and track ISO 8583 transaction errors and messages	YES	
48	The solution MUST be PCI DSS compliant	YES	
	<b>Storage requirements</b>	YES	
49	The solution MUST be able to store the historical captures for a minimum period of 30 days	YES	
50	The solution MUST have a minimum of 10 TB storage capacity and should be scalable	YES	
51	The solution MUST be capable of having built-in storage as well as the ability to use the storage over the network or extended storage	YES	
52	The solution MUST provide security for data collected	YES	
53	The solution MUST have store all data locally (within NPCI environment)	YES	
54	The solution SHOULD provide storage resiliency ( ex - hot-swappable drives, RAID5/ RAID 6, etc )	YES	
55	The solution MUST have the capability to mask the card information available in the captured data when it is stored	YES	
56	The solution MUST include all the required database licenses required for storing the data captures	YES	
57	The stored data MUST NOT be readable by any other means other than the management console	YES	

**TYPE - B**

**Requirements for appliances to be installed at member banks**

ID	Hardware specifications	Mandatory	Compliance (Yes/No)
1	The solution MUST support 1G interfaces	YES	
2	The solution MUST support minimum of 1 capture interface & 1 management interface	YES	
3	The solution MUST be deployable using a standard datacenter rack	YES	
4	The hardware MUST have redundant power supplies	YES	
5	The solution SHOULD be deployable either in SPAN based mode or in Layer 2 in-line mode	YES	
6	During a hardware failure the solution MUST fail open (in case of in-line Layer 2 deployment)	YES	
7	The solution MUST support copper taps	YES	
8	The solution SHALL support Fiber optic taps	NO	
	<b>Management &amp; reporting</b>		
9	The solution SHOULD be integrated with the centralized management console used to manage the appliances in Datacenters	YES	

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

10	The solution MUST have the capability to provide centralized reporting	YES	
11	The solution MUST provide administrator authentication via TACACS/RADIUS/LDAP	YES	
12	The solution MUST support SSL for access to the management web GUI.	YES	
13	The solution MUST support SSH for access to the management Command Line Interface.	YES	
14	The solution MUST be able to perform time synchronization (NTP, etc.)	YES	
15	The solution MUST have the capability to be monitored by the NMS server via SNMP v2 / v3	YES	
16	The solution MUST support multiple simultaneous user sessions to the management console	YES	
	<b>Packet capture &amp; analysis</b>		
17	The solution MUST not require additional software plug-ins or agents on client or server hosts.	YES	
18	It MUST support IPv4 and IPv6 Protocols	YES	
19	The solution MUST support multi-segment packet analysis	YES	
20	The solution MUST store historical data for forensic analysis	YES	
21	The solution SHOULD be able to provide the performance metrics at 1-minute granular intervals	YES	
22	The solution SHOULD support Microburst event analysis	YES	
23	The solution SHOULD be able to identify specific applications and IP conversations that are consuming high amounts of bandwidth	YES	
24	The solution MUST be able to identify TCP and UDP traffic and errors	YES	
25	The solution SHOULD have the capability to generate alarms upon microbursts	YES	
26	The solution MUST support the "Always ON" feature with rolling packet capture buffer	YES	
27	The solution SHOULD be capable of capturing the performance metrics such as but not limited to, 1. Packet loss / Retransmission rate / Retransmission delay 2. Round trip Timer 3. Throughput 4. Number of connections 5. Data transfer time / server response time	YES	
28	The solution SHOULD be able to provide network packet flow diagram to illustrate network communication between multiple application tiers	YES	
29	The solution MUST support real-time and back-in-time analysis	YES	
30	The solution SHOULD provide the ability to select some, all, or none of a packet to be recorded on a per-application and per-interface basis	YES	
31	The solution MUST support well-known protocols and applications	YES	
32	The solution SHOULD provide a repository that allows to save data traces and recall them at a future date to perform packet-level forensic analysis on the saved data	YES	
33	The solution SHOULD support application specific analysis/summaries for standard application components, such as HTTP, SOAP, etc.	YES	

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

34	The solution SHALL provide summarized analysis breaking down application response time into following components: Client/Server processing Network bandwidth Network latency Network congestion Network protocol (e.g. TCP) Parallel effects involving any combination of the above components	YES	
35	The solution SHALL support detailed scorecard analysis of system, application design, network and protocol effects on application performance	NO	
36	The solution SHALL have the ability to perform multi-site, multi-hop capacity planning using captured application data	NO

To

NPCI

Dear Sirs,

**Re: NPCI/RFP/2016-17/IT/10 dated 23.12.2016 for Request for Proposal for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution**

Having examined the Bidding Documents placed along with RFP, we, the undersigned, offer to provide the required infrastructure in conformity with the said Bidding documents for the sum of Rs.....(Rupees \_\_\_\_\_) or such other sums as may be ascertained in accordance with the Schedule of Prices attached herewith and made part of this Bid.

We undertake, if our Bid is accepted, to provide \_\_\_\_\_ for the above purpose within the stipulated time schedule. We agree to abide by the Bid and the rates quoted therein for the orders awarded by NPCI up to the period prescribed in the Bid which shall remain binding upon us. Until a formal contract is prepared and executed, this Bid, together with your written acceptance thereof and your notification of award, shall constitute a binding Contract between us.

We undertake that, in competing for (and, if the award is made to us, in executing) the above contract, we will strictly observe the laws against fraud and corruption in force in India.

We have complied with all the terms and conditions of the RFP. We understand that you are not bound to accept the lowest or any Bid you may receive.

Dated this..... Day of.....2016

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

**Annexure Z - Non-Disclosure Agreement**

This Agreement is made and entered on this ----- day of -----, 2016 (“Effective Date”) between

**NATIONAL PAYMENTS CORPORATION OF INDIA**, a company incorporated in India under Section 25 of the Companies Act, 1956 and having its registered office at **1001A, B wing 10th Floor, ‘The Capital’, Bandra-Kurla Complex, Bandra (East), Mumbai - 400 051** (Hereinafter referred to as “NPCI”, which expression shall mean and include unless repugnant to the context, its successors and permitted assigns);

**AND**

\_\_\_\_\_, a company registered in \_\_\_\_\_ and having its registered office at \_\_\_\_\_ (Hereinafter referred to as “-----”, which expression shall mean and include unless repugnant to the context, its successors and permitted assigns).

The term “Disclosing Party” refers to the party disclosing the confidential information to the other party of this Agreement and the term “Receiving Party” means the party to this Agreement which is receiving the confidential information from the Disclosing Party.

NPCI and ----- shall hereinafter be jointly referred to as the “Parties” and individually as a “Party”.

**NOW THEREFORE**

In consideration of the mutual protection of information herein by the parties hereto and such additional promises and understandings as are hereinafter set forth, the parties agree as follows:

**Article 1: Purpose**

The purpose of this Agreement is to maintain in confidence the various Confidential Information, which is provided between NPCI and ----- to perform the considerations (hereinafter called “Purpose”) set forth in below:

Supply, installation, commissioning and maintenance of Packet Analyzers at NPCI and Member Banks

**Article 2: DEFINITION**

For purposes of this Agreement, “Confidential Information” means the terms and conditions, and with respect to either party, any and all information in written, representational, electronic, verbal or other form relating directly or indirectly to the Purpose (including, but not limited to, information identified as being proprietary and/or confidential or pertaining to, pricing, marketing plans or strategy, volumes, services rendered, customers and suppliers lists, financial or technical or service matters or data, employee/agent/ consultant/officer/director related personal or sensitive data and any information which might reasonably be presumed to be proprietary or confidential in nature) excluding any such information which (i) is known to the public (through no act or omission of the Receiving Party in violation of this Agreement); (ii) is lawfully acquired by the Receiving Party from an independent source having no obligation to maintain the confidentiality of such information; (iii) was known to the Receiving Party prior to its disclosure under this Agreement; (iv) was or is independently developed by the Receiving Party without

## RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

breach of this Agreement; or (v) is required to be disclosed by governmental or judicial order, in which case

Receiving Party shall give the Disclosing Party prompt written notice, where possible, and use reasonable efforts to ensure that such disclosure is accorded confidential treatment and also to enable the Disclosing Party to seek a protective order or other appropriate remedy at Disclosing Party's sole costs. Confidential Information disclosed orally shall only be considered Confidential Information if: (i) identified as confidential, proprietary or the like at the time of disclosure, and (ii) confirmed in writing within Seven (7) days of disclosure.

### **Article 3: NO LICENSES**

This Agreement does not obligate either party to disclose any particular proprietary information; to purchase, sell, license, transfer, or otherwise dispose of any technology, services, or products; or to enter into any other form of business, contract or arrangement. Furthermore, nothing contained hereunder shall be construed as creating, conveying, transferring, granting or conferring by one party on the other party any rights, license or authority in or to the Confidential Information disclosed under this Agreement.

### **Article 4: DISCLOSURE**

1. Receiving Party agrees and undertakes that it shall not, without first obtaining the written consent of the Disclosing Party, disclose or make available to any person, reproduce or transmit in any manner, or use (directly or indirectly) for its own benefit or the benefit of others, any Confidential Information save and except both parties may disclose any Confidential Information to their Affiliates, directors, officers, employees or advisors of their own or of Affiliates on a "need to know" basis to enable them to evaluate such Confidential Information in connection with the negotiation of the possible business relationship; provided that such persons have been informed of, and agree to be bound by obligations which are at least as strict as the recipient's obligations hereunder. For the purpose of this Agreement, Affiliates shall mean, with respect to any party, any other person directly or indirectly Controlling, Controlled by, or under direct or indirect common Control with, such party. "Control", "Controlled" or "Controlling" shall mean, with respect to any person, any circumstance in which such person is controlled by another person by virtue of the latter person controlling the composition of the Board of Directors or owning the largest or controlling percentage of the voting securities of such person or by way of contractual relationship or otherwise.

2. The Receiving Party shall use the same degree of care and protection to protect the Confidential Information received by it from the Disclosing Party as it uses to protect its own Confidential Information of a like nature, and in no event such degree of care and protection shall be of less than a reasonable degree of care.

3. The Disclosing Party shall not be in any way responsible for any decisions or commitments made by Receiving Party in relying on the Disclosing Party's Confidential Information.

### **Article 5: RETURN OR DESTRUCTION OF CONFIDENTIAL INFORMATION**

The parties agree that upon termination/expiry of this Agreement or at any time during its currency, at the request of the Disclosing Party, the Receiving Party shall promptly deliver to the Disclosing Party the Confidential Information and copies thereof in its possession or under its direct or indirect control, and shall destroy all memoranda, notes and other writings prepared by the Receiving Party or its Affiliates or directors, officers, employees or advisors based on the Confidential Information and promptly certify such destruction.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet  
Analyzer Solution

**Article 6: INDEPENDENT DEVELOPMENT AND RESIDUALS**

Both parties acknowledge that the Confidential Information coming to the knowledge of the other may relate to and/or have implications regarding the future strategies, plans, business activities, methods, processes and or information of the parties, which afford them certain competitive and strategic advantage. Accordingly, nothing in this Agreement will prohibit the Receiving Party from developing or having developed for it products, concepts, tools or techniques that are similar to or compete with the products, concepts, tools or techniques contemplated by or embodied in the Confidential Information provided that the Receiving Party does not violate any of its obligations under this Agreement in connection with such development.

**Article 7: INJUNCTIVE RELIEF**

The parties hereto acknowledge and agree that in the event of a breach or threatened breach by the other of the provisions of this Agreement, the party not in breach will have no adequate remedy in money or damages and accordingly the party not in breach shall be entitled to injunctive relief against such breach or threatened breach by the party in breach.

**Article 8: NON-WAIVER**

No failure or delay by either party in exercising or enforcing any right, remedy or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise or enforcement of any right, remedy or power preclude any further exercise or enforcement thereof or the exercise of enforcement of any other right, remedy or power.

**Article 9: JURISDICTION**

If any dispute arises between the parties hereto during the subsistence or thereafter, in connection with or arising out of this Agreement, the dispute shall be referred to arbitration under the Indian Arbitration and Conciliation Act, 1996 by a sole arbitrator mutually agreed upon. In the absence of consensus about the single arbitrator, the dispute may be referred to joint arbitrators, one to be nominated by each party and the said arbitrators shall nominate a presiding arbitrator, before commencing the arbitration proceedings. Arbitration shall be held in Mumbai, India. The proceedings of arbitration shall be in the English language. The arbitrator's award shall be final and binding on the parties.

**Article 10: GOVERNING LAW**

This Agreement shall be governed exclusively by the laws of India and jurisdiction shall be vested exclusively in the courts at Mumbai in India.

**Article 11: NON-ASSIGNMENT**

This Agreement shall not be amended, modified, assigned or transferred by either party without the prior written consent of the other party.

**Article 12: TERM**

This Agreement shall remain valid from the Effective Date until the termination or expiry of this Agreement. The obligations of each Party hereunder will continue and be binding irrespective of whether the termination / expiry of the Agreement for a period of five years after the termination / expiry of this Agreement.

**Article 13: INTELLECTUAL PROPERTY RIGHTS**

Neither Party will use or permit the use of the other Party's names, logos, trademarks or other identifying data, or otherwise discuss or make reference to such other Party or infringe Patent, Copyrights, in any notices to third Parties, any promotional or marketing material or in any press release or other public announcement or advertisement, however characterized, without such other Party's prior written consent.

RFP for Supply, Installation, Commissioning and Maintenance of Network Packet Analyzer Solution

**Article 14: GENERAL**

1. Nothing in this Agreement is intended to confer any rights/remedies under or by reason of this Agreement on any third party.
2. This Agreement and the confidentiality obligations of the Parties under this Agreement supersedes all prior discussions and writings with respect to the Confidential Information and constitutes the entire Agreement between the parties with respect to the subject matter hereof. If any term or provision of this Agreement is determined to be illegal, unenforceable, or invalid in whole or in part for any reason, such illegal, unenforceable, or invalid provisions or part(s) thereof shall be stricken from this Agreement.
3. Any breach of any provision of this Agreement by a party hereto shall not affect the other party's non-disclosure and non-use obligations under this Agreement.

**IN WITNESS WHEREOF**, the parties hereto have duly executed this Agreement by their duly authorized representatives as of the Effective Date written above.
