

NPCI /UPI/OC No.138 A/2021-22

19th August, 2022

To,
All UPI Members-Banks, PSPs &Third Party Applications

Madam / Sir,

Subject: Addendum to Introduction of UPI Lite

NPCI has issued NPCI /UPI/OC No.138/2021-22 titled "Introduction to UPI Lite". NPCI has been working closely with pilot banks to fine tune the UPI Lite solution.

The ecosystem has acknowledged the potential of this solution to support scalability of UPI transactions along with efficient transaction processing. The larger ecosystem is currently working towards enablement to realize the benefits.

All ecosystem members (includes PSP and Banks) are expected to support UPI Lite financial transactions with purpose code 44 for a seamless user experience on UPI Lite.

Members to make necessary changes by 15th September, 2022.

Regards,

Sd.
