

NPCI/UPI/OC210/2024-25

31st December 2024

To,

All Members of UPI

Dear Madam/Sir,

Guidelines for volume cap for Third Party App Providers (TPAPs) in UPI

We invite reference to our earlier circulars NPCI/UPI/OC-97/2020-2021 dated 5th November 2020 and NPCI/UPI/OC159/2022-2023 dated 2nd December 2022 on "Guidelines for volume cap for Third Party App Providers (TPAPs) in UPI".

Considering various factors, the timeline for compliance of existing TPAPs who are exceeding the volume cap, is extended by two (2) years i.e. till December 31, 2026.

Yours sincerely,

SD/-
